

KIAMA

WL11 - LED WALL LIGHT

Modern Stylish Wall Light

The Kiama from Vision Lighting is a modern LED wall light that provides the perfect finish for the exterior of your project.

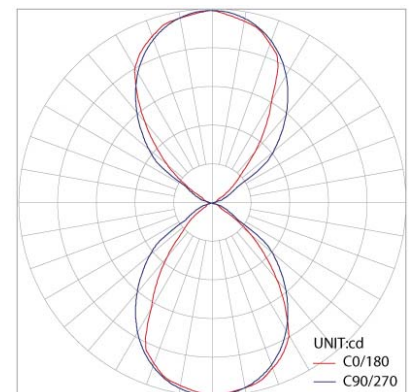

Constructed from a die-cast aluminum body, the Kiama's stylish design keeps the LEDs hidden behind the aluminium housing, avoiding glare. Functional and durable, the Kiama features a robust IP65 and IK08 rating.

With a choice of either a single or double option, the Kiama is available in a brushed aluminium, white or black powder coat.
