

JAVELIN R02

AE-R02 - PLASTER RECESSED ALUMINIUM EXTRUSION

The Javelin R02 from Vision Lighting provides the seamless integration of ribbons of light into your project.

Constructed from an extruded anodised aluminium body, the Javelin R02 features a range of diffuser options to suit your project. Plaster recessed, the Javelin provides blended and unobtrusive linear lighting.

Available in a range of sizing options including 1m, 2m and 2.5m lengths, the Javelin is ideal for interior architectural applications including apartments, offices, hotels, restaurants, cafes and bars.
