

JAVELIN S01

AE-S01 - SURFACE MOUNT LED EXTRUSION

Play with light in your space with the Javelin S01 from Vision Lighting. Narrow ribbons of light enable you to create brilliant accents and effects.

Constructed from an extruded anodised aluminium body, the Javelin S01 features a range of diffuser options to suit your project. The Javelin comes complete for easy surface mounting and installation.

Available in a range of sizing options including 1m, 2m and 2.5m lengths, the Javelin is ideal for interior architectural applications including apartments, offices, hotels, restaurants, cafes and bars.
