

JAVELIN S02

AE-S02 - SLIM SURFACE MOUNT LED EXTRUSION

The Javelin S02 from Vision Lighting will unleash your creativity with a low profile design, the opportunities are endless.

Constructed from an extruded anodised aluminium body, the Javelin S02 features a range of diffuser options to suit your project. A low profile design provides the Javelin with the advantage of an unobtrusive surface mount installation.

Available in a range of sizing options including 1m, 2m and 2.5m lengths, the Javelin is ideal for interior architectural applications including apartments, offices, hotels, restaurants, cafes and bars.
