

# PISCES WASH

## DLWW - WALL WASHER DOWNLIGHT

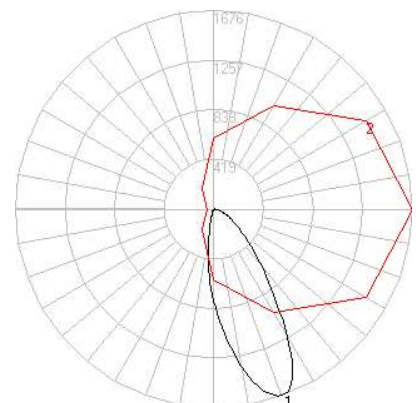

The Pisces Wash is a specialized wall washer downlight designed to illuminate vertical surfaces effectively. Crafted from high-quality die-cast aluminum, it features a refined powder-coated finish.

This downlight is perfect for indoor applications where accent lighting is needed to highlight walls or architectural features. It utilizes an advanced LED light source, offering uniform color temperature and superior color rendering.

The asymmetric beam angle ensures even light distribution across walls. Installation is made easy with a recessed mounting system and Australian plug secure electrical connections.
