

PISCES TILT

DLTR - LOW GLARE ADJUSTABLE DOWNLIGHT

The Pisces Tilt is a versatile low glare downlight that allows for adjustable lighting angles. Made from robust die-cast aluminum, it comes with a stylish powder-coated finish in various color options.

This downlight is ideal for indoor environments where directional lighting is required. It incorporates a high-performance LED light source, delivering excellent color consistency and rendering.

The tiltable design enables up to 30 degrees of adjustment, providing flexibility in lighting design. Installation is straightforward with a recessed mounting system and Australian plug secure electrical connections.

PRODUCT SPECIFICATIONS

Wattage:	8W - 30W
CCT:	2700K 3000K 4000K
CRI:	Ra>90 Ra>95
Beam Angle:	20° 24° 36° 50°
Dimming:	DALI Casambi Available
Colour:	White Black Trim
Mounting:	Plaster Recessed
IP Rating:	IP44 from below
Lifetime:	L80B10>50,000hr
