

DASH

WL40 - INTERNAL STEP LIGHT

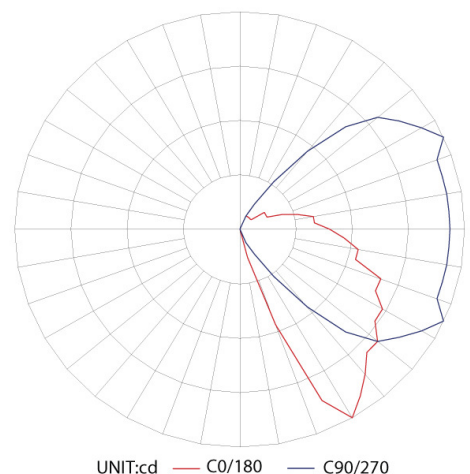

Add an architectural feature to any project with the Dash internal step light from Vision Lighting.

Constructed from high quality materials, this Dash fitting offers durability with its compact and sleek design. The Dash is not only available in both black and white finishes, but also a DALI dimmable option.

Efficient and discreet, the Dash provides additional safety and character to internal stairways and corridors in facilities like shopping centres, restaurants, hotels, offices and hospitals.
