

# CORMORANT

## FLE46 - LED POLETOP

### *Simple and Stylish*

The Cormorant poletop luminaire from Vision Lighting provides a functional and elegant option for most area lighting applications.

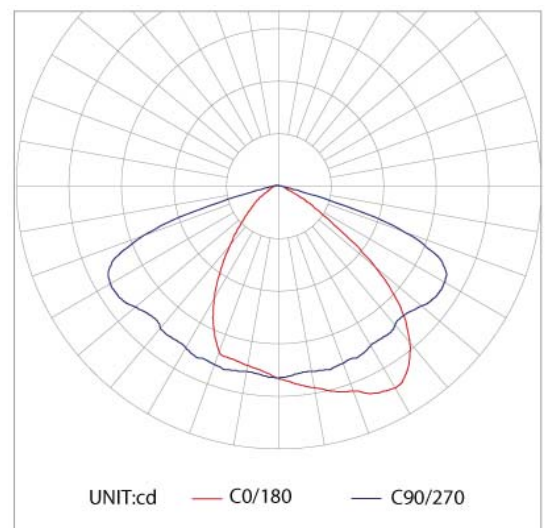

Built to withstand the elements, the Cormorant is constructed to IP65 and IK10 ratings from a die-cast aluminium body and anodised aluminium reflector. Complementary internal CREE LED componentry provides optimal output for a 50,000hr life.

With an assembled height of 4-9 m, the Cormorant is perfectly suited to a variety of carpark, street and area lighting applications.
