

CAMBOURNE

WL31 - MODERN WALL MOUNTED CUBE LIGHT

Classy Design, Solid Construction

The Cambourne wall mounted cube light has a simple, minimalist design, which adds class to any style of building. Although designed with modern architecture in mind, it blends in seamlessly with more heritage styles as well.

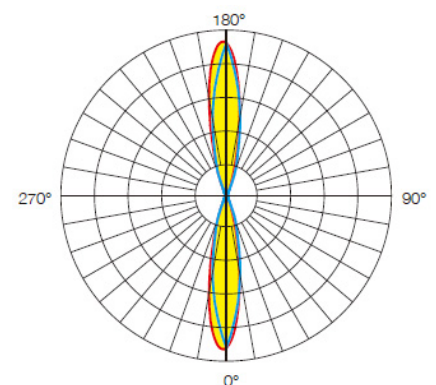

Solid construction using aluminium housing and tempered glass, to achieve IK08 impact protection. Quality gasket and silicone seal to achieve IP65 ingress protection.

Available in 2 sizes. Option of up / down or uni-directional distributions. Option of 3000K or 4000K.
