

HOLGATE

VALE10 - LED COLUMN BOLLARD

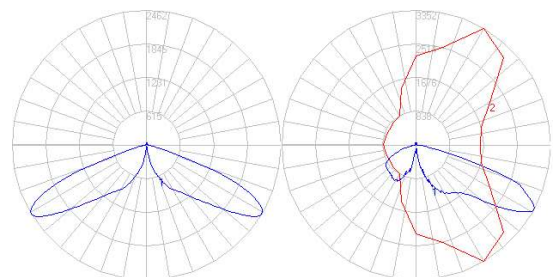

The Holgate from Vision Lighting provides stylish and simple illumination in the form of a 2.7m or 3.5m column bollard.

Constructed to IP65 and IK08 from an aluminium body, the Holgate incorporates a transparent PMMA diffuser and SMD LED light source for even light distribution.

The perfect addition for walkways, parks, gardens and amenity lighting applications, the Holgate ensures the best of both poletop and bollard lighting.
