TRKPG-DA - TRACK 3 PHASE+ DALI

This high quality DALI 3-circuit track system for the professional lighting market is suitable for all track light styles supplied by Vision Lighting.

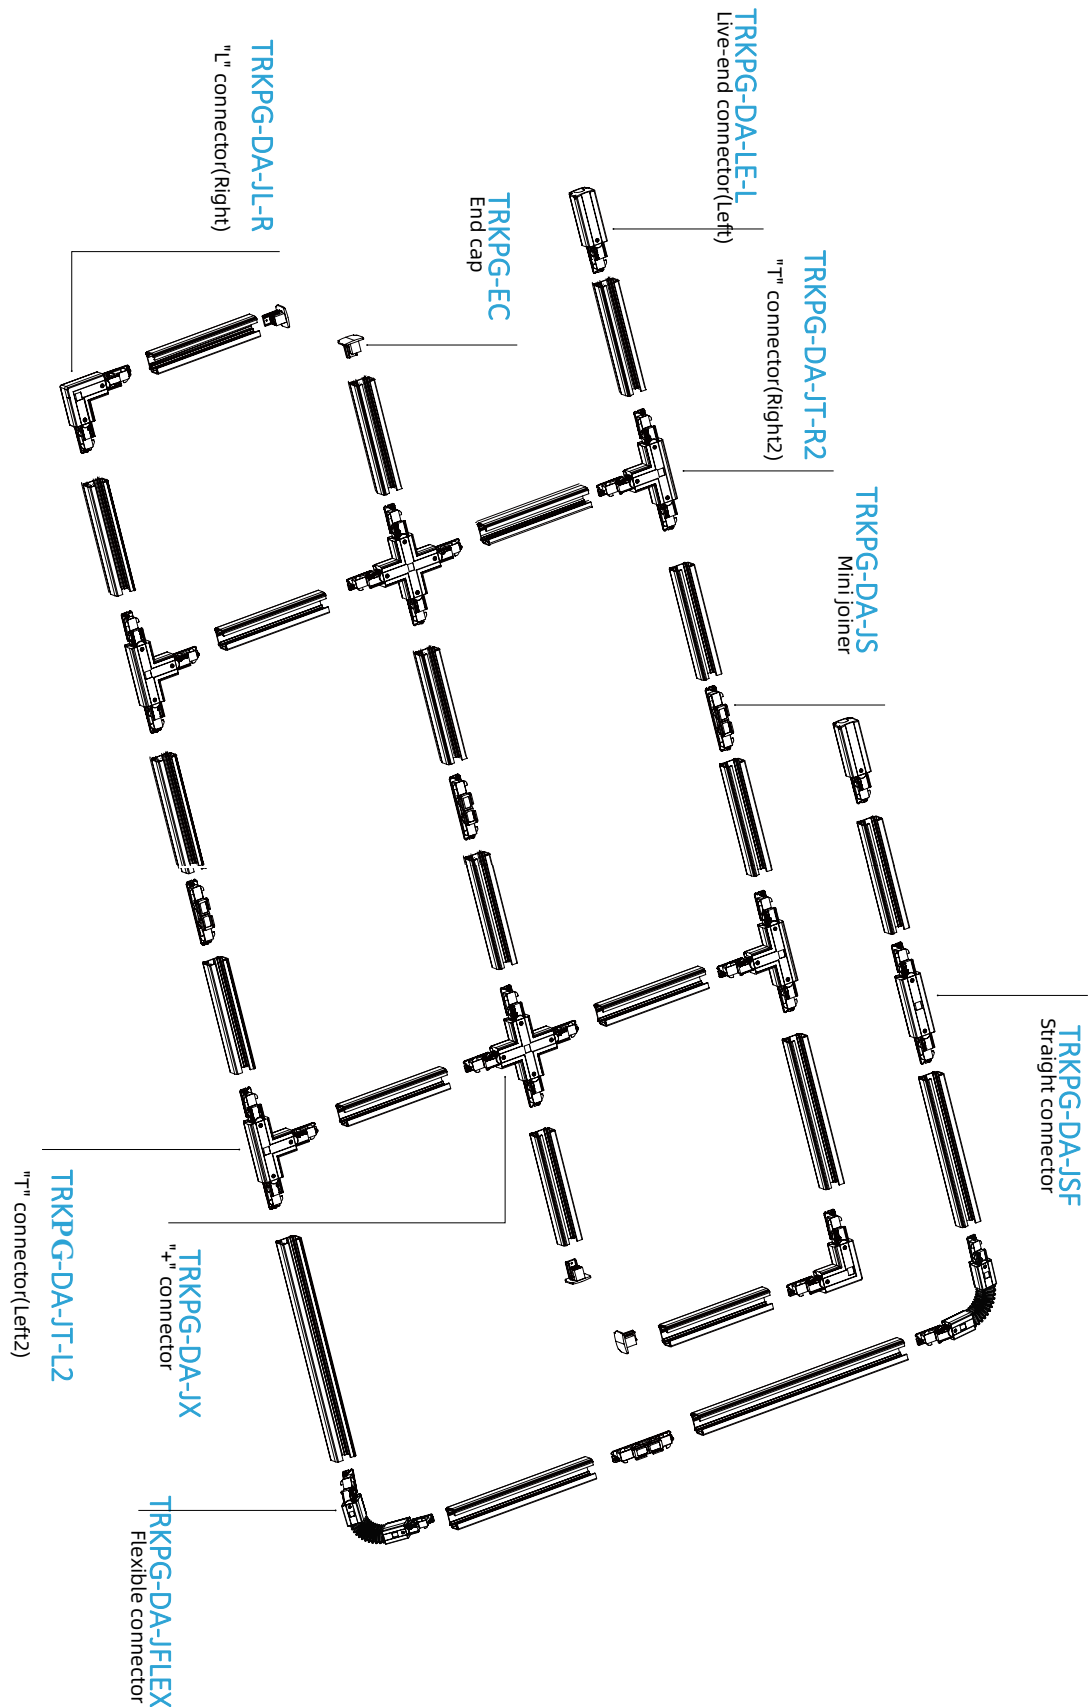

A comprehensive range of innovative DALI accessories gives designers maximum freedom to create unique and smart track plans. The DALI accessories can be used for both surface mounted and recessed 3-phase DALI track.

This DALI track can be easily cut down and is immediately ready to install as there is no need to adjust wires.
