

# TRANQUILITY

## WL16 - ELLIPTICAL WALL LIGHT

The Tranquility from Vision Lighting brings soft diffused lighting to create the perfect ambience

Australian made, the Tranquility is constructed from a powder coated steel bracket and LED panel for even lighting distribution. A fabric shade forms the finishing touches and is available in a variety of colours to complement your design.

With a slim profile, the Tranquility is the perfect addition to hotel, restaurant, office, or boutique lighting application.
