

BATVD - DIFFUSED BATTEN

This batten from Vision Lighting is an energy-efficient and economical batten luminaire.

Simple construction combines quality high lumen componentry with an opal polycarbonate diffuser.

Provides the perfect replacement for traditional lighting technologies and ideal for use in the workshop, warehouse, exhibition halls, factories, shops and supermarket applications.

PRODUCT SPECIFICATIONS

Wattage:	11-20W 22-40W
Lumens:	!140Lm/W
CCT:	Tri: 3000K 4000K 5000K
CRI:	Ra>80
Beam Angle:	120 degrees
Dimming:	DALI available
Mounting:	Surface Mount
Protection:	IP20 IK08
Lifetime:	L80B10>50,000hrs
Emergency:	C0:D40 C90:D20 (1200mm)
Diffuser:	Opal Polycarbonate
Material:	Steel
