

TULIP

WL26 - INTERNAL WALL LIGHT

Exuding presence and class, the Tulip from Vision Lighting brings a statement to any internal wall lighting application.

Constructed from metal frame and matt opal glass shade, the Tulip includes a switch on the back plate and SES (E14) lamp holder for a 40W lamp.

Ideal for hallway, personal or amenity lighting, the Tulip is available in chrome, black and white colour options to suit the décor of hotel, aged care and hospital applications.
