

GARRISON W

VAN14 - WALL MOUNTED VANDAL RESISTANT LUMINAIRE

Designed to endure punishing conditions, the Garrison fitting from Vision Lighting provides durable and secure lighting.

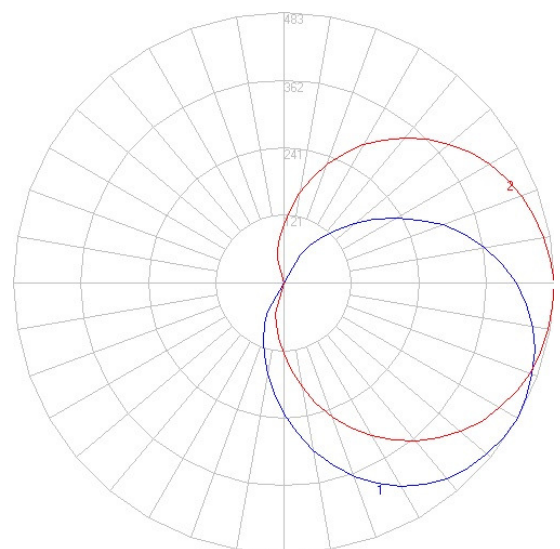

Constructed to IP65 and IK10 from a zinc-plated steel body, and including stainless steel security screws, the Garrison is ideal for settings that call for vandal resistant lighting such as prisons, underground car parks and mental health facilities.

Not only a robust build, the Garrison is also available in DALI and uses high quality LED components offering high CRI and lifetime ratings.
